

Multiple Sub-Teams

Valley Spokesmen Racing Team (parent team), as the governing body of the racing component of the Valley Spokesmen Touring Club (the club), will allow the formation of sub-teams with the approval of the VSRT executive council.

Sub teams will represent a limited portion of the parent team and will be formed for the purpose of specific racing goals and/or sponsorship recognition. Formation of the sub-team will not violate any rules or guidelines of USCF or NCNCA.

A memorandum of understanding will be prepared if necessary, on an annual basis for each sub team and should address the following.

- 1) Membership qualifications
- 2) Membership quantity limitations
- 3) Financial arrangement with parent team
- 4) Team officers
- 5) Team name/USCF registration
- 6) Sponsorship
- 7) Jersey

If the sub team is separately sponsored and uses a different jersey at a minimum the VSRT logo and/or Valley Spokesmen will be used on a recognizable location of the jersey to provide some continuity of theme and affiliation with VSRT.

The VSRT president will reside over all racing teams within the club. Sub teams may elect their own officers as necessary to administer sub-team functions. One officer of each sub-team will be identified by the sub-team as a member of the VSRT executive council. This officer will reside on the EC for the full racing year (Nov. – Oct.), will attend EC and club meetings and be an active voting officer of the parent team.

Every effort should be made by the parent team and all sub-teams to include all team members in activities and events, with the goal of promoting team spirit. It is understood some events will be for the express purpose of the goals of the sub-team and will not involve other team members.

All sub-team members will abide by the VSRT by-laws.
